Dear CPS Parents and Families,

We're writing to let you know that we've amended our school calendar to add Tuesday, June 19, 2018 as an instructional day for all CPS students. This will make up for the instructional day lost on February 9, 2018 due to severe weather.

This year's original calendar listed Tuesday, June 19 as a school improvement day for CPS staff, but it will now be the last day of classes for all CPS students. You can see the amended school calendar at cps.edu/calendar.

With all of the progress our students are making, we don't want them to miss out on even one day of valuable instruction. Thank you for playing an active role in your children's education, and I encourage you to contact your school directly with any questions.

Sincerely,

Janice K. Jackson, EdD
